

GET INVOLVED

Giving your time or skills to support community initiatives is just as important as donating money. In 2010, the Australian Bureau of Statistics found that over 6 million Australians volunteer or 36% of the population.

Volunteer and internship opportunities available at the Minderoo Foundation will be listed on the Minderoo Careers page.

We encourage you to link up with the following other organisations that facilitate volunteering, mentoring and secondments across Australia to gain an opportunity or contact a community group you are interested in directly.
